

#### WHAT IS SAEINDIA?

**S**AEINDIA is India's leading resource for mobility technology. It is an affiliate society of SAE International registered in India as an Indian, non-profit engineering and scientific research society. Its members combine their specialized abilities to further advance research, development, design, manufacture and utilization of vehicles which operate on land, water, air and space.

#### WHAT IS SUPRA SAEINDIA?

SUPRA is a competition that promotes the participation of undergraduate and graduate engineering students to design, model and fabricate a formula type racing car.

The concept behind this event is that a fictional manufacturing company has contacted the design team to develop a small Formula Racing Car.
